

Summer Camp

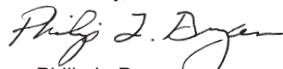

Welcome!

Summer Camps 2006 are guaranteed to keep children active this summer. More importantly, our Camps provide a safe and fun environment, opportunities to make new friends, and more options to accommodate most needs.

Browse the Camp Guide for your favorites and make sure to check out some of our new offerings – Tumbleweeds, Yoga Kids, Evening Lacrosse, Field Hockey and Tennis Clinics. A number of one-week options have been initiated to accommodate the needs of those involved in a number of camps throughout the summer. Popular Camps such as Pottery, In-Line and Skateboarding, Cheerleading, Science and Nature, and Teen Adventures fill up early. We encourage you to register early and in doing so you will earn  for your registration dollars. Also, some Camps may earn double the points if they are designated  offerings.

Be an early bird by registering online by February 12, 2006 through  and be eligible for a random drawing of a full credit to your account for your most expensive camp.

Sincerely,

Philip L. Bryan
Superintendent of Recreation
